

MASTER ROBERT BEATS BELMONT'S FAIR PLAY

Wins by Half Length in Drive, Creating New Track Record—Spectacular Finish in Steeplechase, Three Leading Horses Crossing Wire in Drive, Separated by Bare Lengths.

NEW YORK, October 17.—The fall meeting of the Westchester Racing Association, opened at Belmont Park this afternoon, with nearly 6,000 persons in attendance. The leading event was the Belmont Park, weight for age race, at two miles and a quarter, which provided a stunning surprise in the defeat of August Belmont's Fair Play, who goes to England next week, Samuel Emery's Master Robert took Fair Play's measure by a half a length and incidentally length up a new track record of 3:31. Frank Gill, an added starter, carried Fair Play wide a greater part of the distance; while Brother Jonathan set the early pace, followed closely by Master Robert. When the lower turn was reached for the second time, Master Robert went to the front and set the pace under a stout pull.

At that stage of the race Fair Play, on the extreme outside, made a determined effort to overhaul Master Robert, but the latter, well handled, stuck it out to the end, where he won by a short margin, as Fair Play was closing rapidly. Brother Jonathan was third, eight lengths back, with Frank Gill, a dozen lengths away.

The Champion Steeplechase, at about three miles and a half, was a spectacular race from start to finish. Under a splendid ride, Bartlett, McLenahan's agent, went to the front at the jump and won in a drive, by a length, from J. E. Widener's Mark Gumberts, with the Bonnie Brook Stable's Malacca, third, beaten by the same margin. The time was 7:40.

Statenman closed in the last furlong, and won the White Plains Handicap, for two-year-olds, six furlongs, by an

ample length. Arondack also came fast at the end, and beat Trance, the top-weight, by a length, too. Trance picked up 128 pounds and made the pace for five furlongs, when she weakened under her burden. The time was 1:12 2-5.

Animus made all the pace in the first race, at a mile and a furlong, and won by a half length from Jugger, with Milford third. The time was 1:12. Most River graduated from the maiden class in the fifth race, at a mile, by beating Racquet a half length in 1:39 1-4. Taboo breezed home in the last race, for two-year-olds, seven furlongs, with Bonnie Kelso second and Hill Top third. The time was 1:25 2-5. Five favorites were beaten.
